

CURRICULUM VITAE

MICHAEL P. MAKRIS, MD, Ph.D.

Name: Michael

Surname: Makris

Date of birth: 12/05/1969

Place of Birth: Piraeus, Greece

Address: 107, Macedonias str., Piraeus

Military service: 1/1998-9/1999 (Navy)

Specialty: Allergist

BRIEF PRESENTATION OF OVERALL SCIENTIFIC WORK

1. Education, further education, qualifications

1987: Graduation from Ionidios Model High School of Piraeus (Grade 19.8)

1987-1994: MD degree, Medical School, University of Patras, Greece

2003: Allergology specialty title after training at the “Laiko” General Hospital of Athens

2009: Ph.D. degree, Medical School, University of Athens (Doctorate Thesis: “Allergic rhinitis: Correlation with inflammatory markers of lower airways”, Grade: Excellent)

2. Teaching work

2006 – today: Teaching in the Dermatology-Venereology training programs provided for medical students, as well as the Allergy and Dermatology specialist training program of the 2nd University Dermatology Clinic of the “Attikon” University Hospital.

2016 – today: Teaching in the “MSc in Update Diagnosis of Dermatology-Venereology and Allergology”, University of Athens.

3. Clinical/Laboratory work

My responsibilities as Head of the Allergy Unit include planning the organizational structure, ensuring the overall orderly operation, and monitoring the qualitative and quantitative performance indicators of the Unit. In addition, I am the Head of the specialized Drug Allergy and Respiratory Allergy Clinics and the Mastocytosis & Mast Cell Activation Disorders Clinic, as well as the co-head of the specialized Urticaria Clinic of the Allergy Unit and the specialized Atopic Dermatitis Clinic of 2nd Department of Dermatology & Venereology of the “Attikon” University Hospital, University of Athens.

4. Hospital and University appointments

2006: Junior Allergy Registrar at the Greek National Health System

2009: Senior Consultant at the Allergy Unit of the 2nd Department of Dermatology & Venereology of the “Attikon” University Hospital, University of Athens

2011 – today: Head of the Allergy Unit, 2nd Department of Dermatology & Venereology, “Attikon” University Hospital, University of Athens

2011 – today: Visiting Scientist at the Comprehensive Allergy Center of the Medical School of the Charité University of Berlin.

2021 – today: Scientific director of the only certified Center of Excellence of the European Competence Network on Mastocytosis in Greece, the Mastocytosis & Mast Cell Activation

Disorders Clinic at the “D. Kalogeromitros” Allergy Unit of the “Attikon” University Hospital.

5. Organizational, administrative and broader scientific work

Since 2011, as Head of the Unit, I have coordinated the efforts for the participation in International Networks of Excellence following evaluation, resulting in the Unit already being a certified member of International Networks for a) Urticaria (UCARE), b) atopic dermatitis (ADCARE), c) anaphylaxis (ANACARE) and d) angioedema (ACARE).

I have participated in 18 clinical trials as Principal Investigator and I co-ordinate the scientific projects of the Allergy Unit, in both under-graduate and post-graduate levels. As a member of the Scientific Committee of Master’s degree post-graduate course “MSc in Update Diagnosis of Dermatology-Venereology and Allergology”, I am responsible for the whole program of the Allergy Section and I have already served as Supervisor in 10 Master Degree Theses that were successfully defended.

I am a member of the scientific board of the Central Administrative Office of the Hellenic Ministry of Health for the medical specialty of Allergology and one of the three members of the examination committee for the medical specialty of Allergology.

6. Current research record
